Global Accountancy Alliance

**Global Expertise-  
Local Presence**

# Best of both worlds

We are proud to be amongst the world's leading accounting alliances and one of the fastest growing.

## Local Presence

INPACT members undergo a rigorous selection process, so you are assured of receiving support from qualified and reputable professionals with local specialist knowledge.

## Global Expertise

Located in over 65 countries worldwide, INPACT members are full service firms providing integrated, cross-border services to support all your accountancy needs worldwide.

# Why Choose INPACT?

## Personal Attention

INPACT members, individually and collectively, are large enough to provide the high calibre of professional services that clients need, yet small enough to care about clients as individuals. Whatever the size of your business, you will receive personal attention and dedicated service.

## Quality Service

INPACT professionals adhere to the highest standards of ethics and professionalism and are Certified Public Accountants, Chartered Accountants, or their international equivalents.

## Worldwide Resources

Our global alliance rivals or exceeds those of the largest international auditing and accountancy firms. In cities throughout the world, INPACT has a member who is able to assist your company.

## Fair Fees

As an alliance of independent firms, we are able to control overhead costs and keep our fees reasonable.

## Trusted Advisers

It is our people that make the INPACT alliance so strong; people knowledgeable in global business; people you will get to know personally.
